

Affinity Sports has created a library of billing reports that can be utilized by State Associations, Leagues and Clubs that provides player count information and state associated fees.

Report 1 – Player Count Detail Report

Provides a detail listing of players that includes the following:

- a) Column - 1 - ID Number
- b) Column - 2 Last Name
- c) Column - 3 First Name
- d) Column - 4 DOB
- e) Column - 5 Status – *This is the player’s application status (Pending, Assigned, Activated, Canceled or Rejected).*
- f) Column - 6 Accepted (Y or N)
- g) Column - 7 Date Accepted
- h) Column - 8 Age – *If player is assigned or on an activated team the team age is used. If player is accepted but not assigned or on an activated team then the seasonal age is used.*
- i) Column - 9 Play Type
- j) Column - 10 Active – *Player is on an activated team*
- k) Column - 11 Team Code

Note: The Player Count Detail is to be used in conjunction with the other billing reports to assist the State Association, League or Club in locating a player whose record needs to be updated. Example: Player Count Summary Report shows 4 Activated Players that have not been accepted or shows 3 players that have been accepted with cancelled applications. It is recommended that the Player Count Detail report be exported to Excel to easily sort the Accepted or Active Columns and locate the players in question.
